PRESS RELEASE – March 2, 2017

Government Relations: 972-624-3108

Hetherington Drive at FM 423 closed March 6-15

THE COLONY, Texas — As part of an effort to keep residents informed, officials with the City of The Colony are in continuous contact with representatives from the Texas Department of Transportation regarding the progress of the Main Street Widening Project.

In order to continue that progress, TxDOT officials have advised the city that there will be a full closure of Hetherington Drive at the intersection with FM 423 starting 9 a.m. Monday, March 6, and continuing through 3:30 p.m. Wednesday, March 15. This closure is necessary for paving work. During this timeframe, motorists may detour via North Colony Boulevard to the north or South Colony Boulevard to the south.

During Main Street reconstruction, the Engineering Department posts updates and information regarding the overall progress of this project at http://thecolonytx.gov/Resident/RoadRepairs.html, including when and where specific work will take place. In addition, updates can be found on the city's social media and in the bimonthly electronic newsletter. If you have additional questions, you may email Director of Government Relations Brant Shallenburger at bshallenburger@thecolonytx.gov or call 972-624-3108.
